COMPANY HIGHLIGHTS

Since October we have issued five storm response notices to three continents. Our global CAT team is highly qualified and experienced.

GLOBAL NETWORK

India

We welcome Minesh A Shah & Associates as the Concordia Global Network Associate in India. Operating from their corporate office in Ahmedabad, Minesh A Shah & Associates are a premier consultancy firm in India with over 30 years of experience in Chartered Engineering, Insurance Survey and Loss Assessment, Valuations, Audits and Risk Management.

The Directors of Minesh A Shah and Concordia Consultancy will work together, combining their extensive experience in order to provide services together on a global front, particularly in the energy, marine, construction and engineering sectors.

Israel

Berenfeld International Loss Adjusters & Risk Management Ltd are Concordia Global Network's new Associate in Israel. Operating from Tel Aviv, Berenfeld are a loss adjusting company approved by the Israeli Loss Adjusters Association with over 30 years experience in risk management and loss adjusting.

We look forward to working together and combining their extensive expertise in order to provide services together on a global front, particularly in risk management and the property, industrial and environmental sectors.

Presentations

James Gee, our Marine Practice Leader presented at the National Insurance Congress, Colombo, Sri Lanka on Energy Insurance, Claims and Risk Issues.

The event was sponsored by the Sri Lanka Insurance Institute and Munich Re, attended by 540 delegates from the Sri Lanka Insurance Market and held at the Cinnamon Grand Hotel on the 21st November 2013.

James provided an overview of the offshore energy challenges which Sri Lanka may experience in the future.

Upcoming Events and Activities

20th February, 10am - Lloyd's, Singapore - Energy Lecture by Spencer Clark

Spencer Clark will be providing a technical presentation and workshop regarding FPSOs. The presentation and workshop will include discussions on the challenges facing the oil and gas insurance sector for Underwriters and Claim Professionals.

5th March - IFAA Conference - Colombo, Sri Lanka

The MD of Concordia South Asia, Nihal Bogahalande, is in the middle of his Presidency of the IFAA (International Federation of Adjusting Associations). He will host the next educational conference in Colombo entitled "Best Practice for Loss Adjusting in South Asia". Ben Carroll, our Director of the Concordia Global Network, will be presenting alongside other speakers from leading local insurers and international reinsurers and experts. For more information about the Conference please visit www.adjustersworldwide.org

11th March - UMAL - Birmingham

Paul May will be presenting at the UMAL conference. UMAL is the leading and longest standing Higher Education and Further Education mutual, sharing information and spreading best practice in areas such as Risk Management.

For all our presentations and events please visit www.concordiaconsultancy.com

Giving and Support

Concordia Consultancy have donated to St Giles Trust this year instead of sending out printed Christmas cards.
