COMPANY HIGHLIGHTS

2014 has started off with extending the global network further, supporting UK business Universities and insurance courses and cementing further the connections between London, Singapore and Colombo.

GLOBAL NETWORK

China

Concordia welcomes Triwin Insurance Adjusters as the Concordia Global Network Associate in China. Operating from Guangzhou, Triwin are a loss adjusting company approved by the China Insurance Regulatory Commission with over 17 years of experience in risk and loss adjusting.

Triwin and Concordia look forward to working together and combining their extensive expertise particularly in the sectors of: products liability, multi-national, construction, marine, engineering and environmental. For further information or assistance please contact [Sam Koh](#) or [Ben Carroll](#).

WEBINAR

Spencer Clark presented at Lloyd's in Singapore providing a technical presentation and workshop regarding FPSOs. The presentation and workshop included discussions on the challenges facing the oil and gas insurance sector for Underwriters and Claim Professionals.

On Thursday 24th April at 1pm GMT Spencer will be providing a webinar of the presentation. For more information and to register for the webinar please email [Louise May](#).

There will be a Q&A session at the end of the webinar and it will close at 2.15pm.

Concordia Risk Prize

We are delighted to announce that Daniel van den Aarseen has been awarded the Concordia Consultancy award for the Best Overall Performance in the Corporate Risk Module. The module is part of the MSc in Management Finance obtained from Nottingham University.
